

10 Year Limited Warranty

EasyClean10 Glass Treatment

Warranty Overview

If, within the warranty period, ten years from the invoice date of the enclosure or glass, you feel that your glass is no longer easy to clean, please send an email to customerservice@hylinesales.com and provide a brief explanation of the problem along with your name, address, telephone number and proof of purchase.

If it is determined that an area that has been treated has not remained water repellent, Hy-Line Sales will gladly provide replacement EasyClean10 for Glass in an amount determined to be adequate to re-coat the area that appears to be unprotected.

Conditions

EasyClean10 Glass Treatment must be maintained per manufacturer's instructions to validate and maintain the warranty. Visit www.hylineshowerdoors.com/easyclean10/care for cleaning instructions.

Hy-Line reserves the right to inspect the glass in order to determine that the product has been maintained in a manner consistent with the manufacturers' instructions.

This warranty does not cover inherent issues of treated glass when steam is present on treated surface. Many environmental conditions can make steamed glass appear to streak, swirl or reveal other markings. If those effects are not visible on clean, dry glass, this is considered normal and does not constitute failure or reduced performance of EasyClean10.
