

FIVE SERIES

MODEL VS-280 PIVOT DOOR w/ TWO INLINE PANELS

FEATURES -

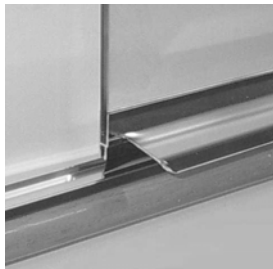

- Pivoting panel between two inline fixed panels for use on tiled or fabricated shower.
- Frameless 5 mm (3/16") tempered safety glass with polished edges throughout.
- Anodized aluminum extrusions with built-in adjustment for out of square walls.
- Corrosion resistant stainless steel screws & fasteners.
- 69-3/16" standard height. Custom height available.

Continuous hinge rail system won't leak, rust or stiffen.

Unique 'Sure Catch' closure system securely snaps shut, opens easily and is adjustable.

Triple water protection, featuring a splasher guard, vinyl sweep and a low profile water dam.

Sleek scalloped header with look of streamlined beauty.

OPTIONS -

- Glass available in Clear (C), Obscure (O), Rain (R) and a variety of other Designer Colours & Textures. Refer to options sheet for additional information.
- Trim available in Silver (S), Brushed Nickel (BN), Oil Rub Bronze (ORB), Gold (G), White (W) or Linen/Biscuit (L).
- ClearShield (CS) glass protection coating.
