

## FEATURES -

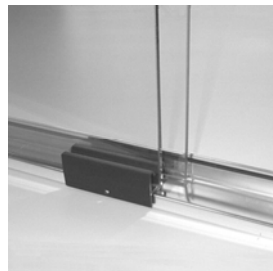

- 2-panel sliding door for use on tiled or fabricated bath.
- Frameless 5 mm (3/16") tempered safety glass with polished edges throughout.
- Anodized aluminum extrusions with built-in adjustment for out of square walls.
- Corrosion resistant stainless steel screws & fasteners.
- 55-1/2" standard height. Custom height available.

Panels glide on adjustable precision ball bearing rollers which allow sliders to open and close with the touch of a finger.

Towel bars are strong and streamlined, with no protruding screws or bolt heads.

Self-draining, open wipe, stay clean sill.

Sleek scalloped header with look of streamlined beauty.

## OPTIONS -

- Glass available in Clear (C), Obscure (O), Rain (R) and a variety of other Designer Colours & Textures. Refer to options sheet for additional information.
- Trim available in Silver (S), Brushed Nickel (BN), Oil Rub Bronze (ORB), Gold (G), White (W) or Linen/Biscuit (L).
- ClearShield (CS) glass protection coating.
